1 part Sour Apple Pucker schnapps
1 splash lime juice

Martini glass
Brown burlap
Mario small black olives
Bamboo pick
Lime wedges

Directions

1. Decorate the glass by wrapping the burlap loosely around the stem.
2. Fill a cocktail shaker with ice. Add the vodka, schnapps, and lime juice. Cover the shaker and shake the cocktail until chilled. Add cocktail to glass.
2. Cut 2 small wedges or slices of lime and place across from each other on the glass to make ears.
3. Pierce the olives with the bamboo pick. Leave about an inch between the olives, then place on the rim of the glass in front of the lime wedges.
